NOTE: The reports were sent out by OCI Registry. To satisfy the requirements of this Office, I assigned a CIA number to the package (No. 6342 which I received from OER Registry). However, the No. 6342 does not appear on the Report itself, or the Blue Notes -- it only appears on the Document Receipt (per DD/OER). Obvious this number does not really control anything, but it is recorded in OCI Registry.
